Values (in your own life and others' lives)

KS1

LKS2

UKS2

To support the learning of RE, see below for Twinkl Life units that cover the specific aspects of this strand.

Children look at and appreciate how many people's values are an important aspect of their lives. Children look at religious stories to understand actions and consequences. Children begin to make connections to their own lives, looking at their own actions and consequences and choices they can make.

Children Can:

- a look at how values affect a community and individuals;
- b explain how actions can affect other people;
- c understand that they have their own choices to make and begin to understand the concept of morals.
