MATHS

Learning Objective:

- To identify and represent numbers using objects.
- To represent and use number bonds.

Brief Overview of the task:

- Children are to practise their number bonds to 10, by using the part-whole model.
- They are to get 10 objects (being the whole) and put them into 2 groups (being the parts), for example, 10 pieces of pasta (whole) being split into 2 parts. 6 in one group and 4 in one group (these are the two parts). Take pictures and upload to Google Classroom.
