ENGLISH

Learning Objective:

WALT explore complex sentences

Brief Overview of the task:

In this lesson, we will explore complex sentences. We discuss that they are made up of main clauses and subordinate clauses. We will review what these are and then the pupils have a chance to practise writing their own.

MATHS

Learning Objective:

- WALT: understand conversion tables

Brief Overview of the task:

In this lesson, we will be looking at a different type of line graph: a conversion graph. We will discuss what they are and how they are used. We will then construct our own conversion tasks which will allow us to convert between centimetres and inches.
