

School Song

And so you think you're able
To survive this mess by being a prince or a
princess
You will soon see
There's no escaping tragedy
And even
If you put in heaps of effort
You're just wasting energy
'Cause your life as you know it is ancient
history
I have suffered in this jail
I've been trapped inside this cage for ages
This living 'ell!
But if I try I can remember
Back before my life had ended
Before my happy days were over
Before I first heard the peeling of the bell
Like you, I was curious!
So innocent, I asked a thousand questions
But unless you want to suffer
Listen up and I will teach you
A thing or two
You listen here, my dear
You'll be punished so severely if you step
out of line and if you cry it will be double
You should stay out of trouble and
remember to be extremely careful
Why?
(Why!?)
Why? Did you hear what we said!?
Just you wait for Phys-Ed!

Get Loud!

Life is a mystery, full of uncertainty,
Makes little sense to me but I'm trying, I'm trying.
Why is it so unfair? The rich are slow to share.
Doesn't anybody care when you're crying, you're crying?
We've got to take our chance now.

Time to get loud!
Find your voice in the crowd.
It really matters what you say,
'Cos this is your day.
Time to feel strong,
Find out where you belong.
You want to make us proud?
So get loud!
Woah!
Woah!
Woah!
Get loud!

The world is going mad, I think that it's so sad.
We can't tell good from bad, well I'm learning, I'm learning.
We waste so much each day, so much is thrown away.
Is there a better way? Well I'm yearning, I'm yearning.
We've got to take our chance now.

Year 5

Oh,
Oh,
Oh,
Oh.

Time to get loud!
Find your voice in the crowd.
It really matters what you say,
'Cos this is your day.
Time to feel strong,
Find out where you belong.
You want to make us proud?

Are you ready for this? We're not gonna miss the chance to go.
Oh.
We're gonna change and rearrange, yeah!
We're gonna find a better day,
We're gonna show the world the way!

Get loud, get loud! We're gonna get.
Get loud, get loud! We're gonna get.

Sing From Your Heart

There's a song that's living deep inside me,
There's a voice that's longing to be set free.
I've got to find it now, I gotta give all I've got.
Gonna lose myself inside the music,
Gonna feel the rhythm, gonna use it.
This is the chance I have to take, this is my shot.

Shake off your doubt, what's within, let it out.

Sing from your heart with all of your power.
Sing with a fire that knows no fear.
Sing with your voice your, song for the world to hear.

I may be one but I am one of many
And we can make a sound as big as any
And if we rise as one, I know that we're gonna shine.
I may be young but I am getting stronger.
I got a dream that won't wait any longer,
A feeling in my bones that's saying: "This is my time".

Shake off your doubt, what's within, let it out.

Sing from your heart with all of your power.
Sing with a fire that knows no fear.
Sing with your voice your, song for the world to hear.

Sing from your heart with all of your power.
Sing with a fire that knows no fear.
Sing with your voice your, song for the world to hear.

There's a light inside, light inside, light inside.

BEAUTIFUL THINGS

I found my mind; I'm feeling sane.
It's been a while, but I'm finding my faith.
If everything's good and it's great, why do I sit and wait 'til it's gone?

Oh, I'll tell ya, I know I've got enough.
I've got peace and I got love,
But I'm up at night, thinking I just might lose it all.

Please stay.
I want you, I need you.
Oh, God, don't take
These beautiful things that I've got.
Oh, ooh,
Please stay.
I want you, I need you.
Oh, God.

FIREWORK

Do you ever feel like a plastic bag,
Drifting through the wind, wanting to start again?
Do you ever feel, feel so paper thin,
Like a house of cards, one blow from caving in?
Do you ever feel already buried deep?
Six-foot-under screams and no one seems to hear a thing.
Do you know that there's still a chance for you, there's a spark in you.

You've just gotta ignite the light and let it shine.
Just own the night like the fourth of July.

'Cos, baby, you're a firework,
Come on, show 'em what you're worth.
Make 'em go ah, ah, ah,
As you shoot across the sky-y-y.
Baby, you're a firework,
Come on, let your colours burst.
Make 'em go ah, ah, ah,
You're gonna leave 'em all in awe, awe, awe.
Baby, you're a firework,
Come on, let your colours burst.
Make 'em go ah, ah, ah,
You're gonna leave 'em all in awe, awe, awe.
